

11th January 2009

Welcome to 2009!

We are sending you a "bundle of goodies" to provide you with some information for the up coming year.

Our terrific news for 2009 is that we are adding extra technical classes at Grade 3, Grade 4 and Grade 6 levels both in Modern and Classical Ballet subjects. These additional classes will develop and increase the knowledge of syllabus work, technique and performance requirements to assist students in becoming better equipped dancers!

We highly encourage students to take on these classes particularly those students who are interested in taking examinations. Please note these new graded classes are not to replace Saturday classes but only to compliment them. In addition, discounts will apply per lesson rather than per subject to assist this new graded structure being more achievable.

The Tap and Jazz syllabus will remain as open subjects (not subject to exams). Please read the enclosed timetable carefully as some times and subjects have been moved around to cater for student numbers. It is essential that you telephone, email or text to book in for your classes as class sizes are limited.

To ensure we have everyone's up to date details, our terms and conditions have been read and photographic release information is gathered, we ask that you please complete the enclosed enrolment form and return it to us either by mail (as per the PO Box below) or on the first day of term.

In your package we have also enclosed a DVD order form for those wanting to purchase the 2008 end of year performance. This form can be returned by mail or brought in on the first day of term. Photos will also be available for order in Term 1.

We are extremely excited about getting started for 2009 and we are looking forward to seeing all of you on the first week back starting the 27th of January.

Not long to go now so make sure you have your dancing shoes ready for a fun packed year to come!!

Kind Regards,

Leigh and Effie
